Connect and entertain your entire entourage.
VALUE INCLUDED WITH YOUR EXPERIENCE PLAN

**Data Control**

**Intrusion Detection**

**Media**

**Filter**

**Connectivity Consultation**

**Built-in Protection**

When you choose Honeywell Forge, our experienced security team and built-in protection help protect you from day one. We don’t charge extra for networking monitoring protection; it’s part of our basic offering.

**Dedicated Customer Support**

We’re available 24/7/365 to help you choose the right hardware, solutions and services, or answer your connectivity question. There are many ways to reach us and we’re always available to take your call or answer your email. And if you need us to jump on a plane to lend a hand in person or provide a little on-site training, we can do that, too.
