

JETWAVE 2025 PROMOTION: DISCOUNTED PRICING ON SATELLITE COMMUNICATIONS HARDWARE

UPGRADE AND SAVE WITH HONEYWELL

As aviation continues to evolve, staying ahead with the latest technology is essential for an unparalleled in-flight experience. Honeywell is thrilled to announce a special promotion from our global sales team, making the transition to advanced connectivity more accessible than ever.

THE NEED FOR SPEED:

In addition, Honeywell and Viasat have unlocked new airtime service plans for capable of reaching more than 40Mbps. These new service plans are highly competitive, offering a global unlimited plan with double the bandwidth (100% increase) at half the cost (50% less).

THE OFFER:

Customers who install a JetWave system on their aircraft and select Honeywell Forge as their service provider unlock up to \$300,000 in savings! Customers have two options for service as shown below. Don't miss out - activate your service by January 31, 2026, to take advantage of this limited-time offer.

OPTION 1: 2 OR 3 YEAR JX SERVICE CONTRACT:

- 1. Install JetWave:**
Equip your aircraft with the state-of-the-art JetWave system.
- 2. Activate a 2- or 3-Year Forge Service Plan:**
Choose any 2- or 3-year Forge Service Plan (excluding JX PayGo).

Incentives:

- **Up to \$300,000 in Savings:**
Upon install and activation of service.
- **First Month Free:** Enjoy the first month of service at no charge, plus discounted service plans (applicable to JX Essential (FC Only) through JX-Edge plans).

Value to You:

- **Total Incentive Value:** Up to \$300,000 in savings, directly benefiting the end user.

OPTION 2: 1 YEAR JX PAYGO CONTRACT:

- 1. Install JetWave:**
Equip your aircraft with the state-of-the-art JetWave system.
- 2. Activate a 1-Year JK PayGo Honeywell Forge Service Plan:**
Choose the 1-Year JX PayGo Forge Service Plan.

Incentives:

- **Up to \$300,000 in Savings:**
Upon install and activation of service.

Value to You:

- **Total Incentive Value:** Up to \$300,000 in savings, directly benefiting the end user.

Please see your salesperson for additional hardware incentives on JetWave.

ABOUT HONEYWELL'S FIRST GENERATION JETWAVE

JetWave is Honeywell's satellite communications system that provides seamless, global, high-speed in-flight Wi-Fi connectivity for business aviation. It allows passengers to stay connected anytime, anywhere, and at any altitude, offering the fastest broadband available for business aviation. JetWave's reliability and global coverage make it an exceptional choice for those who need consistent and fast internet access during their flights.
