

MEET THE CREW

Joe Duval
Site Leader
and Test Pilot

"I used to be John Travolta's Chief Pilot and, I'm kind of a big deal around here."

Randy Moore
Chief Test Pilot

"I flew in Alaska for 15 years and worked for the very first company that had what is now known as ADS-B installed."

Jason McMahon
Lead Test Pilot

"My hobbies include woodworking and leatherworking."

Scott Nyberg
Lead Test Pilot

"First soloed an airplane on my 16th Birthday! Retired from the Air National Guard after serving 25 years."

Ian Bell
Senior Flight
Test Engineer

"I learned to fly gliders in 1971 at the tender age of 16 (in the Boy Scouts). My father had to drive me to the airfield, since I didn't have a drivers license."

Mark Pickett
Flight Test
Engineer

"I've been backpacking since 1978 and hit the 2000 mile mark last year."

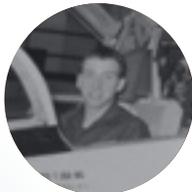

Nazrul Taajwar
Flight Test
Avionics Engineer

"I am afraid of flying in a small plane, because I am claustrophobic."

Garrett Sheets
Intern

"I started my degree in aerospace engineering before ever being on an airplane."

Jim Clark
Maintenance
Manager

"My first job was the top cookie guy in an ice cream sandwich factory."

Paul Schaffran
Lead Mechanic

"I've been an Avionics Mechanic for 41 years - 26 of those years with Delta Airlines. As a sideline I am a motorcycle rider coach with TEAM Arizona, and Yes, people see me on the road, which is a good thing."

James Maguire
Lead Mechanic

"After failing to be the next Elvis Impersonator on the Vegas strip I decided to work for Honeywell, almost 21 years now, but new to the flight line and lovin it!"

Windfred Price
Lead Mechanic

"I started my aviation career after high school in the USAF and I have been loving it ever since."

Tom Keating
Lead Mechanic

"Knowledge without experience is just information", Mark Twain.

Dave Clarke
Lead Mechanic

"What could go wrong!"

Dan Gimenez
Chief Inspector

"I got hooked on aviation when I saw a helicopter while getting on the bus for kindergarten at five years old."

George Voss
Quality Manager

"I celebrated my 50th year as a licensed aircraft mechanic on March 17th. Six airlines, 2 repair stations and a consulting company, I have finally found a home here at Honeywell."

Troy Chase
Instrumentation
Technician

"I am a second generation Honeywell employee."
